section {
  display: block;

  ul {
    display: flex;

    li {
      list-style: none;

      &:first-child {

        a {
          color: blue;

          span {
            text-decoration: none;

            &:after {
              content: 'What'
            }
